ADVENT IS A WAITING AND PREPARATION TIME

What do you do if you are told that a special visitor is coming to your home in a few days? Now think about what you can do knowing that a very special visitor is coming soon.

Advent is a time of waiting and preparation to receive Jesus in our hearts and lives. We are invited to reflect on the coming of Christ, both his historical coming and the future coming. Advent is a time of joy and hope, when we light candles in the midst of darkness and gather with family and

friends to celebrate the coming of Jesus.

Making a deep examination of conscience and going to confession is the ideal way to prepare during this wait. Let us remember that during the sacrament of confession it is Christ himself who makes himself present. His true mission is to save souls, that is why it is so important to let him carry out his mission in us.

¿Que hace si le avisan que va a llegar una visita especial a su casa en unos días? Ahora piense ¿Que puede hacer en su vida sabiendo que nos llega una visita muy especial dentro de pronto?

El Adviento es un tiempo de espera y preparación para recibir a Jesús en el corazón y en la vida. Se nos invita a reflexionar sobre la venida de Cristo, tanto su venida histórica como la futura. El Adviento es un tiempo de alegría y esperanza, en el que se encienden velas en medio de la oscuridad y nos reunimos con la familia y amigos para celebrar la venida de Jesús.

Hacer un profundo examen de conciencia y confesarnos es la manera ideal de prepararse durante esta espera.
