JESUS I TRUST IN YOU

BEARING FRUIT

Few of us, even when we meditate on the image of the vine and branches, stop to really think about how God "prunes" us. For some there is the danger of thinking that we are already producing fruit for the kingdom, in deed and truth as John says, perhaps raising a family, being active in our parish, and so on. But even those branches which are bearing fruit, the Gospel tells us, can be pruned to produce still more. Today Saul, freshly "pruned" by his conversion, arrives in Jerusalem and meets resistance. Since he had been persecuting Christians, this was only natural. But even after he is accepted and begins to bear fruit, he meets further adversity, and his letters are filled with many accounts of how his trials "pruned" him to produce greater fruit for the kingdom. Like him, as long as we remain in Christ we will continue to bear fruit and, when the will of the Father determines it is time to prune us, the strength of the true vine must enable us to endure it.
